

Director's Notes:

Hello Theatre Friends!

What a fantastic season we had last year and we owe it to the overwhelming support of the community. Thank you! We are excited about our 2015-2016 Season and hope you are as well.

Season Tickets are now on sale, and we have been processing them. If you have purchased a Season Ticket and have not received it yet, it should arrive shortly. Season Tickets are the backbone of support for our productions. It costs \$1,800 to 2,000, depending upon the show, to produce a play. This includes costs for utilities, advertising, supplies, etc. This is why season ticket sales are so vital. Our season tickets are "flex" tickets good for 5 seats, any show, any combination. What this means to our patrons is that you have the flexibility to use your ticket in a variety of ways. If you can't make one of the shows, you haven't lost any money ... just bring a friend to one of the other shows and use your season ticket. Remember that you need to call for reservations because last year we had several sold out shows and we are hoping that this season will follow suit.

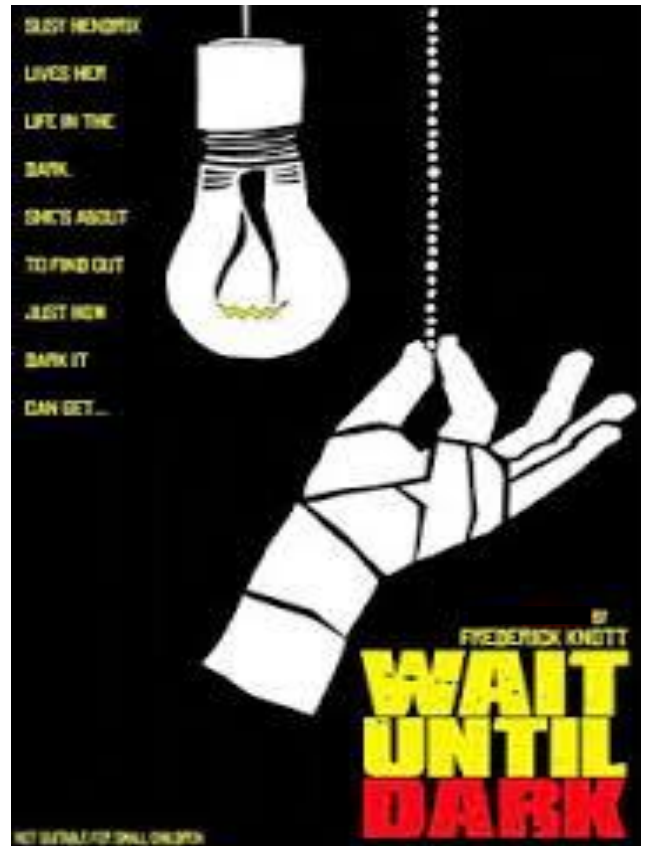

On another note, we have a great group on our Board of Directors, and I am excited to see what the future holds for SCT! We have formed the following committees: Building and Grounds, Finance, Long-Range Planning, Marketing, and Play Selection. We would like to get non-board members interested in helping to serve on one of these committees. If you are interested in helping by serving on a committee, please email us at sapulpacommtheatre@gmail.com, and your name will be passed on to the chairperson who will then contact you about meeting dates and times. Again, we are excited about this season and look forward to another successful year.

See You at the Theatre!

Debbie Pope, Board President
